District Residence Form & Lottery Guidelines 2025-26

Student's Name: _____

State law requires that charters list student residence in sponsoring district as one of several preferences. Union Street Charter is sponsored by the Arcata School District. The ranked preferences are listed below. We need to know your district of residence for a second reason, the state asks Charters to report the district of residence for all students enrolled in the charter. Please check a box below and complete.

To exercise the district preference (see #7 below), your child must reside in the Arcata School District on February 1, 2025. If applicable, please submit the following proof of Arcata School District residence: current utility bill (electricity, cable, garbage or land line), mortgage statement, or insurance policy statement (auto, home or renters). The Arcata City limits are not the same as the Arcata School District. You can check your address on the Humboldt County Office of Education web site if you are unsure what district you are in. Place of work does not affect the lottery process.

As of February 1, 2025:

(If you live outside the Arcata School District proof of residence is not needed)

1. Students currently enrolled in Union Street Charter.
2. Children of employees of Union Street Charter.
3. Siblings of current Union Street Charter students.
4. Students who reside in the Arcata School District have lottery preference for 5 spaces in the kindergarten lottery and for 1 space in each grade for grades 1 – 5).
5. All others (including students who reside in the Arcata School District who were not assigned a spot in lottery step #4 above).

If attendance demands exceed the capacity of the school, a lottery of students will provide the means of selection for wait lists using the previously mentioned priorities and steps.
