Dear Union Street Charter Parents and Friends:

We have a new donation website <https://equinox-center.org> please check it out!

Hammers are humming, drills are dancing, wires are whistling! Thanks to parent donations and grants, Union Street Charter has a new play structure and energy efficient heat pumps that give each teacher control over the classroom temperature! These are huge improvements in safety, esthetics, and environmental responsibility. Thank you for your past support of the school!

It's a new year and we need donations. Our fund raising program is respectful of your time. We release you and your children from pressure to be a fund raising sales force. Unlike many schools, we do not require students to pitch merchandise. Instead, we have a direct donation program. Each family does what they can to offer support: donations, work parties, classroom volunteering, and other opportunities. We appreciate all kinds of support. Many thanks to those of you who are already part of the ongoing donation effort.

In the past, we raised \$16,000 to \$26,000 in yearly donations from parents and friends. Our 2018 - 2019 goal is to raise \$16,000. The new website makes it even easier to donate to the school with paypal and credit or debit cards. You can make a one time or monthly donation of any amount at: <https://equinox-center.org>

Please go to the web site and/or send this letter to friends and family. Donations will allow us to continue playground, program, and facility improvement. The teachers love having classroom funds for educational extras! Please help us reach our goal of \$16,000 for the year. [Go to the website or use the card below.](#)

Make out checks to the Equinox Center for Education or ECE. If you are just starting a monthly donation, it will appear on your next invoice. Donations are tax deductible. The ECE is a 501(C)3 California Non-Profit Corporation (EIN# 23-7116546).

Forward this email to friends or relatives, or stop by the office if you want a paper copy. On behalf of the students, staff, and the Union Street Charter Board of Directors - THANK YOU !
