

USC Daily Health Screening for Students

Please Use this checklist to screen your child before bringing them to campus.

Please complete the following symptom checklist for your child.

Symptom Checklist

	Child
Fever (at or over 100.4F)	
Cough	
Body Aches	
Sore Throat	
Diarrhea	
Headache	
New loss of taste/smell	
Difficulty breathing	
Fatigue	
Congestion or runny nose	
Nausea or vomiting	

If you answered yes to any of the above, please cancel bringing your child to campus and seek a COVID test.

Look for emergency warning signs for COVID-19. If someone is showing any of these signs, seek emergency medical care immediately:

Trouble breathing

Persistent pain or pressure in the chest

New confusion

Inability to wake or stay awake

Pale, gray, or blue-colored skin, lips, or nail beds, depending on skin tone

Call your medical provider for any other symptoms that are severe or concerning to you.
